

D-Series reading light

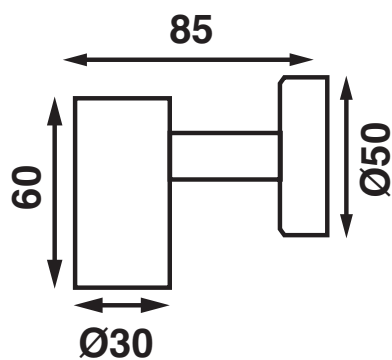

NEW READING LIGHT IN OUR D-SERIES

Our popular D-series reading lights has been expanded with a new black reading light. Compared to the D1USB and D2USB, this new D4USB is somewhat smaller in size, but stronger in charging! The compact D4 comes with a USB-A charger of 2A, which will allow charging of larger devices such as tablets and larger smartphones. In order to charge with a USB-C cable, a compact adapter is included
